NOTARIAL CERTIFICATE FOR MONTANA MOTOR VEHICLE TITLES

The Title and Registration Bureau of the Motor Vehicle Division has determined that titles which require a separate notarial block for a subsequent signer may be handled in one of two ways:

1. The notary may **handwrite** a complete notarial block on the face of the title (usually in the lienholder section) if room is available. The notarial language (i.e., “Signed before me…” or “Subscribed and affirmed before me…” etc.) should be exactly as shown on the preprinted block on that title.

2. A separate “notarial certificate” as shown below may be completed and attached to the original title.

This form is to be copied, filled out completely and attached to the title if needed. Please note on the title “Notarial Certificate for _____(name of signer)______ attached.” A similar note should be entered in your journal.

DO NOT USE PRE-PRINTED STICK-ON LABELS ON THE FACE OF A MOTOR VEHICLE TITLE!
